VISITOR PROFILE

- Wholesalers, Distributors & Retailers • Automotive Service Centre & Workshops • Tyre & Wheel Dealers
- Petrol Pump Service Stations • Vehicle Repair & Maintenance • Lubricants & Fluid Dealers
- Fleet Owners • Car Battery & AC Dealers • Government Departments • OEM's

WHY EXHIBIT ?

- Broadening Business Horizons
- Face-to-Face Interactions
- Networking Opportunities
- Generating Leads and Boosting Sales
- Target Audience Engagement and Giveaways
- Showcase innovative products and technologies
- Brand Awareness
- Understanding customers' requirements
- Standing out from the crowd
- Industry Thought Leadership

WHY VISIT ?

- Gain an in-depth knowledge of the market and industry
- Explore new manufacturers and opportunities
- Get benefited to be a part of new launches
- Evaluate products and suppliers
- Look for need-based products and services

- Compare and discuss specific issues, features, prices and other technical specifications
- Evaluate you competitors – a visit to AUTOTECHNICIA is an efficient way of analyzing competitors' intelligence

- AUTOTECHNICIA is an ideal destination for knowledge sharing and dissemination
- Reconnect with your existing industry partners
- Forge new business contracts
- Network with industry peers

About AUTOTECHNICIA

AUTOTECHNICIA is the only dedicated B2B exhibition covering the value-chain of the automotive aftermarket industry. The Expo caters to the requirements of India's automotive aftermarket industry, while at the same time exporters and importers can avail innovative automotive aftermarket products including parts and accessories.

The Expo integrates thousands of trade professionals from across India - industry captains, manufacturers, distributors, retailers, suppliers, garage owners, industry peers and other related fraternity to collaborate and transact under one roof.

Our aim is to create a platform where some of the well known international brands can explore business opportunities in Indian market and make right investments, technical transfers & collaborations. Furthermore, this helps in creating an environment to promote local brands and boost exports.

About ORGANISER

We are one of the pioneer exhibition organizing companies in India. Our company is managed by hard core exhibition and conference professionals, with many years of experience in this sector. We are the organizer of quality-oriented exhibitions in sectors like automobile, medical, pharmaceutical labs, optical, education, food & beverages in India, Nepal, and Bangladesh.

We have successfully managed and marketed India's biggest exhibition BHARAT MOBILITY 2025 (Auto Expo - The Motor Show & The Components Show 2025) simultaneously in Yashobhoomi and Bharat Mandapam, New Delhi. We were also a part of the Bharat Mobility 2024 expo.
