**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)

NESCO, GOREGOAN (E) - **MUMBAI**

To,

S.D. Promo Media Pvt. Ltd.,

At the outset, I am writing to convey our heartfelt congratulations on behalf of Rajkot Engineering Association on the launch of AUTO TECHNICA 2025 Expo, from 14-16 November 2025 at Mumbai, a significant Automotive Industry Show.

The initiation of this EXPO is not only a testament to innovation and enterprise but also a commendable effort in promoting awareness and education in an industry that plays a vital role in our nation's technological advancement and industrial growth.

Rajkot Engineering Association recognize the valuable role in Engineering Industries. Such initiatives of Exhibition align perfectly with our Association vision for promoting innovation, industry growth, and the sharing of best practices.

Your commitment to providing a platform for experts and professionals to exchange insights, showcase innovations, and celebrate successes is commendable. This will undoubtedly contribute to the overall growth and competitiveness of our nation's Automotive industry and OEM manufacturing and technology sectors.

Once again, congratulations on this remarkable achievement, and Rajkot Engineering Association wishes to AUTO TECHNICA 2025 Expo a successful and impactful journey ahead.

Sincerely yours,

**Narendra Panchani**

President,

Rajkot Engineering Association

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

International Automobile Centre of Excellence

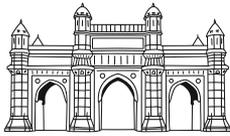

It is a pleasure to partner with AUTOTECHNICIA 2025 and welcome industry leaders, innovators, and learners to this pivotal gathering. As the automotive landscape transforms—driven by electrification, automation, and digitalization—events like this foster the collaboration needed to translate innovation into scalable industry impact. At iACE, we are committed to bridging the industry–academia gap by providing world-class, hands-on training across the automotive value chain to ensure day-one industry readiness. We look forward to sharing insights, forging partnerships, and co-creating workforce solutions that accelerate India’s journey toward a future-ready, resilient automotive ecosystem.

Warm regards,

**E. Rajiv**

Executive Director

International Automobile Centre of Excellence (iACE)

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

The Indian automobile aftermarket stands at the crossroads of transformation, where innovation, technology, and skill converge to define the future of mobility. The AutoTechnicia Show serves as a powerful platform that connects manufacturers, distributors, workshops, and technicians under one roof, fostering knowledge exchange, collaboration, and growth.

As National President of AIAWA, it gives me immense pride to witness our country's independent workshops evolving with global standards of quality, transparency, and customer trust. AIAWA's vision has always been to unite the fraternity, empower entrepreneurs, and create a skilled, future-ready ecosystem that upholds the true spirit of "Make in India".

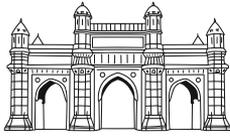

Events like AutoTechnicia play a vital role in strengthening this vision, by bringing together the best of products, technologies, and minds that drive the aftermarket forward. I extend my heartfelt congratulations to the organizers and participants for making this platform a hub of innovation and excellence.

Wishing AutoTechnicia continued success in its mission to accelerate the growth and global competitiveness of India's automobile service industry.

Warm regards,

**Mehul Desai**

National President, AIAWA | Founder, Mquik

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

I am delighted to extend a warm welcome to all exhibitors, trade visitors, delegates, speakers, and partners from across India to AUTO TECHNICA 2025. On behalf of SHREE AUTOMOBILES, I extend heartfelt thanks to the organizers of AUTO TECHNICA 2025 for hosting this outstanding expo. Your dedication and vision have created an exceptional platform that brings together the finest minds, brands, and innovations in the automobile spares market.

This event continues to be a benchmark for our industry—offering unmatched opportunities for networking, product showcasing, and market insights. It empowers manufacturers, distributors, and dealers to connect, collaborate, and grow in a rapidly evolving landscape.

We are proud to be part of this vibrant ecosystem and deeply grateful for the opportunity to engage with fellow industry leaders. AUTO TECHNICA 2025 has once again proven to be the most impactful stage for driving progress in the automotive spares sector.

Thank you for your tireless efforts and for making this expo a grand success.

Warm regards,

**SANJAY KUMAR SETH**

Chairman, APMA expo committee

Co-secretary, APMA

Director,

SHREE AUTOMOBILES (ABRAIN PLASMA)

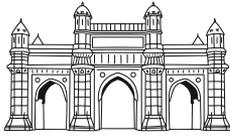

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

I whole heartedly welcome all the delegates to **INDIAN AUTOMOTIVE AFTERMARKET CONFERENCE (IAAC) 2025**, IESA is proud to partner with the AutoTechnicia 2025 show and wish the show success. This show comes at an important juncture of India working towards building a battery ecosystem which is **ATMANIRBHAR** and looks forward to seeing demand grow not only for EVs but also for stationary storage. I also want to extend my warm regards to all the Delegates, Speakers, Sponsors of the show.

Regards,  
**Debmalya Sen**  
President  
India Energy Storage Alliance (IESA)

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)

NESCO, GOREGOAN (E) - **MUMBAI**

Being the premier automotive institute of the country, ARAI is actively working in the field of R&D, testing, certification, homologation and framing of vehicular regulations. We are looking forward to help OEMs, Auto-component manufacturers including Start-Ups , Academia and Technology Enthusiasts in their R&D, Testing & Validation or Certification requirements and drive insightful conversations for greener tomorrow.

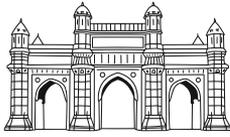

At AutoTechnica 2025, ARAI would like to Showcase its expertise in R&D, Testing and Validation along with the indigenous Technologies developed by ARAI in the Mobility Domain. Mass-scaling of the technology in India can be achieved by an integrated approach and a combination of virtual and experiential verification & validation process. We would like to meet the manufacturers in the Automotive domain who would be interested in knowing more about our services or collaborate with us in the field of R&D, technology development, testing & validation and engineering services.

Warm regards,

**Dr. Atul R Thakare**

Dy. General Manager

Business Development & Corporate Planning

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)

NESCO, GOREGOAN (E) - **MUMBAI**

I hope this message finds you well. I am writing to wish **S.D. Promo Media Pvt. Ltd.** for organizing the upcoming Automobiles Exhibition, scheduled for the 14th, 15th, and 16th of November 2025 in Mumbai.

We appreciate AutoTechnicia Company's esteemed reputation in the industry, we believe that your involvement in organizing this exhibition would significantly enhance its success. The event aims to showcase cutting-edge innovations, promote networking among industry professionals, and foster discussions on the future of automotive technology.

We envision a comprehensive exhibition featuring various segments, including electric vehicles, automotive technology, and sustainable practices. Your expertise and resources would be invaluable in curating an engaging experience for exhibitors and attendees alike.

We would be delighted to discuss the specifics of this collaboration, including potential roles, responsibilities, and any support you may require from our end. Please let us know a convenient time for a meeting to explore this opportunity further.

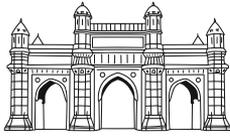

Thank you for considering this proposal. We look forward to the possibility of partnering with Auto Technicia Company for a remarkable event.

Warm regards,

**Rajesh Arora**

(General Secretary)

Delhi Scooter Traders Association®

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

It gives me immense pleasure to be part of AutoTechnica 2025, a platform that brings together innovation, technology, and the driving force of India's automobile industry.

The automotive world is evolving rapidly—with advancements in electrification, digitalisation, and sustainable mobility redefining the future of transportation. Events like AutoTechnica play a vital role in connecting manufacturers, distributors, and dealers, fostering collaboration and new opportunities for growth.

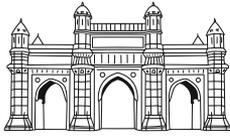

On behalf of the **Poona Automobile Dealers Association (PADA)**, I extend my best wishes to the organizers (**S.D. Promo Media Pvt. Ltd.**) and participants for a successful and inspiring show. May this event continue to accelerate progress and strengthen the bonds within our dynamic automotive fraternity.

Warm regards,

**Virmeet (Bobby) Singh Maini**

President

Poona Automobile Dealers Association (PADA)

**14-15-16 NOVEMBER 2025**

BOMBAY EXHIBITION CENTRE (BEC)  
NESCO, GOREGOAN (E) - **MUMBAI**

**S D PROMO MEDIA PVT. LTD.**

On behalf of S.D Promo Media Pvt. Ltd., I extend an extraordinary welcome to the inaugural edition of AutoTechnicia 2025!

Today, we are not simply opening an exhibition; we are opening the next chapter of the automotive aftermarket in the western region of India. This moment marks the genesis of a platform engineered to address the future of mobility aftermarket, blending the strength of our legacy industry with the promise of emerging technologies and new products.

AutoTechnicia 2025 is the physical manifestation of our collective ambition. Over the next three days, you will stand at the intersection of innovation and enterprise, a place where business is not just conducted but pioneered. You are the select visionaries who will forge partnerships, define industry standards, and harness the energy of this new ecosystem.

We urge you to look beyond the displays. Use this powerful confluence to envision the future of your business, to transform challenges into market share, and to accelerate the entire sector forward. Thank you for being a founding force at AutoTechnicia 2025. Let's begin the journey.

Warm regards,

**Vivek Vikram**

Chief Executive Officer

# CONFERENCE

14<sup>th</sup> & 15<sup>th</sup> November 2025

## KNOWLEDGE PARTNERS

## INDIAN AUTOMOTIVE AFTERMARKET CONFERENCE

---

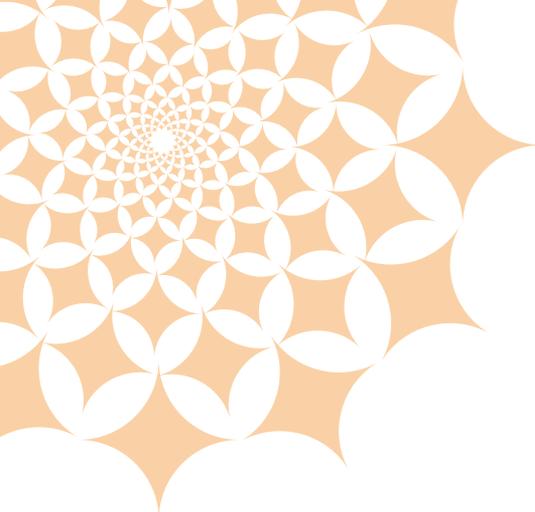

Discover the Future of India's Automotive Aftermarket at IAAC 2025

Unlock new opportunities for growth and innovation at the India Automotive Aftermarket Conference (IAAC) 2025, a premier knowledge-sharing and networking platform for the automotive industry. Co-located with the AutoTechnica Expo at the Bombay Exhibition Centre, Mumbai, from 14–15 November 2025, this two-day conference brings together global and Indian industry leaders, policymakers, and technology experts.

Focusing on the latest advancements in the aftermarket and OEM sectors, IAAC 2025 provides participants with an unparalleled opportunity to explore partnerships, attract investments, and gain insights into evolving market dynamics. A special full-day seminar on "Best Practices within the Automotive Service Industry in India" will further enrich the experience—offering valuable knowledge exchange and practical takeaways.

Join us to connect, collaborate, and shape the future of India's automotive ecosystem.

## THROTTLE BOOSTER & URETHANE BUFFER

**Advantages of **SPEEDCARE** urethane buffer Improving your riding experience**

**Improves driving comfort and more stable during curve corner**

It ensures an improved and stable driving experience, as it enables smooth steering and controlling of your automobile.

**Perfect safety on rapid cornering**

**Restores the height of your automobile**

**Reduces vibrations experienced in the car cabin**

**Shortening braking distance**

**Protecting shock-absorbers and suspension system**

**SPEEDCARE** Boost is a next-generation throttle controller crafted for modern drivers who demand precision and performance.

Built using state-of-the-art technology and insights from real driving conditions, it delivers an advanced, future-ready driving experience from day one

### **Company Description:**

Welcome to A TO Z AUTO PARTS your trusted destination for premium automotive spare parts and accessories in India.  
Who we are:

Based in Ahmedabad (Gujarat), we are a specialist retailer and wholesaler of high-quality car spare parts, with a strong emphasis on luxury and high-end vehicle brands.

We are recognised in business listings as having over 20 years of experience in the field.

#### **What we do:**

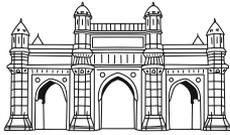

- Offer an extensive range of spare parts & accessories for luxury and premium cars (e.g., Mercedes-Benz, Jaguar, Land Rover, etc) via both offline store and online platform.
- Provide fast shipping across India and worldwide, ensuring reliability and quality service.
- Focus on authenticity and customer service: sourcing from reputable brands, maintaining a high-standard stock.

Our values:

- **Quality first:** Every part is selected to ensure durability, performance and fit-for-purpose for premium vehicles.
- **Customer-centric service:** Our team is dedicated to helping you choose the right component, offering advice and support.
- **Comprehensive coverage:** From headlights to body parts, accessories to mechanical spares — we aim to be your one-stop shop for “A to Z” auto parts.

Why Choose Us

- We cater especially to luxury car owners and high-end vehicle spare-part needs, a niche that demands premium parts and meticulous service.
- Our location in Ahmedabad gives us a strong geographic base and enables both walk-in clients and online customers.
- With decades of experience (as a listing suggests “over 20 years”, we bring industry expertise and mature supply-chain relationships.
- High customer satisfaction: For example, listings on local directories show a rating of 4.7 based on hundreds of reviews.

**Company Description:**

Rolon chains and sprockets are essential power transmission components, primarily for automotive and industrial applications. Rolon is the popular brand name for these products, manufactured by L.G. Balakrishnan & Bros Ltd (LGB). They are a leading supplier, especially for two-wheeler drive chains and automotive timing chains, both in the OEM and replacement markets. The chain, typically a roller chain, engages precisely with the teeth of the sprockets (geared wheels) to transfer rotational power and torque smoothly and reliably, ensuring the vehicle or machinery operates effectively. India's No 1 OE Chains and Sprockets.
